Objective

Passionate Computer Science Engineering student with strong skills in frontend development (HTML, CSS, JavaScript) and UI/UX design. Proficient in C, C++, and Java, with hands-on experience building responsive web interfaces. Hackathon finalist with a problem-solving mindset, eager to learn and grow in real-world development.

Education

Physics Wallah Institute of Innovation **2025 – 2029 (Pursuing)**
B.Tech in Computer Science Engineering Pune, Maharashtra

Medhavi Skills University **2025 – 2029 (Pursuing)**
B.Tech in Computer Science Engineering Singtam, East Sikkim

Experience

Web Developer Intern | KP Smart IT Solutions *1 May 2026 – 20 June 2026*

- Developed responsive and interactive web pages using HTML, CSS, and JavaScript.
- Designed user-friendly UI/UX layouts focusing on usability and aesthetics.
- Worked on hands-on projects as part of academic and self-learning initiatives.

Projects

Care Queue Management System

- Designed and developed a digital queue management interface using HTML, CSS, and JavaScript.
- Implemented real-time status tracking and responsive UI for smooth patient/user flow.
- Focused on accessibility and intuitive design for diverse end users.

Travel Planner

- Built an interactive travel planning web app with dynamic itinerary management features.
- Integrated map-friendly UI components and location-based content sections.
- Ensured responsive design across mobile and desktop viewports.

Skills

Frontend Development: HTML5, CSS3, JavaScript, React.js, UI/UX Design
Programming Languages: C, C++, Java, SQL, MySQL
Other Skills: Problem Solving, Team Collaboration, Responsive Web Design

Achievements

- **Hackathon Finalist –** Secured a top finalist position in a competitive hackathon, collaborating in a team to solve real-world problems through innovative frontend solutions.
- Contributed to frontend design and development of project prototypes under high-pressure environments, demonstrating teamwork, creativity, and problem-solving skills.
- Actively participated in multiple coding and innovation events, consistently recognised for technical and design contributions.
